**AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT**

Your Affiant, Laura J. Gill, being duly sworn, deposes and states:

**INTRODUCTION**

1. I am a Special Agent with the Department of Homeland Security, Immigration & Customs Enforcement (ICE), Homeland Security Investigations (HSI), assigned to the Office of the Special Agent in Charge, Houston, Texas. I have been employed as an HSI special agent for approximately thirteen years. I have been assigned to the Child Exploitation Group since September 2015, and as part of my daily duties as an HSI special agent assigned to this group, I investigate criminal violations relating to child exploitation and child pornography including violations of Chapter 109A, Chapter 110 and Chapter 117, all contained within Title 18 of the United States Code. I have received training in the area of child pornography and child exploitation, and I have had the opportunity to observe and review numerous examples of child pornography (as defined in 18 U.S.C. § 2256) in all forms of media, including computer media. Moreover, I am a federal law enforcement officer who is engaged in enforcing criminal laws, including 18 U.S.C. §§ 2251, 2252, and 2252A, and I am authorized by law to request a criminal complaint and arrest warrant.

2. As a Federal Agent, I am authorized to investigate violation of the laws of the United States, and to execute warrants issued under the authority of the United States.

3. I am familiar with the facts and circumstances of this investigation from: (a) my own personal involvement in the investigation and my personal observations; (b) reports of investigation which I have reviewed that were prepared by Vermont Internet Crimes Against

Children (ICAC) Detective (Det.) Matthew Raymond, and ICAC Investigator (Inv.) Diane Peterson, and my conversations with HSI Special Agent (SA) Scott Labor, and ICAC Inv. Diane Peterson. Where I have reported statements by others or from documents that I have reviewed, those statements are reported in substance and in part, unless otherwise indicated.

4. The statements in this Affidavit are based in part on information provided to me by other law enforcement officers, and on my investigation of this matter. Since this Affidavit is being submitted for the limited purpose of securing an arrest warrant, I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I believe are necessary to establish probable cause to believe that Daniel HICKS committed the offenses of Sexual Exploitation of Children, in violation of 18 U.S.C. § 2251, and Coercion and enticement, in violation of 18 U.S.C. § 2422(a).

5. Based on my training and experience and the facts as set forth in this affidavit, I believe that there is probable cause to believe that Daniel HICKS committed the offenses of Sexual Exploitation of Children, in violation of 18 U.S.C. § 2251, and Coercion and Enticement, in violation of 18 U.S.C. § 2422(a).

This video meets the federal definition of child pornography.

This video meets the federal definition of child pornography.

18. On or about July 29, 2021, Inv. Peterson traveled to a residence in Crosby, Texas in reference to Cyber Tipline Report #92806182. Inv. Peterson met with the parents of a Caucasian female 13-years of age, later identified as Minor Victim Female-One (MVF-1). Inv. Peterson advised the parents that Facebook had flagged conversations between MVF-1 and an adult male in Vermont, who was listed on the sex offender registry, and then submitted a report to NCMEC. With the parents of MVF-1 in the room and with their permission, Inv. Peterson spoke to MVF-1 about the information contained in the cyber tip. MVF-1 confirmed she did know someone online named "Daniel" and indicated to Inv. Peterson that she had previously communicated with him (HICKS) via Facebook messenger. MVF-1 stated she told HICKS to go away, to which he responded that he was going to kill himself. When she had not heard from HICKS, she became frightened that he had taken his own life. MVF-1's mother explained to Inv. Peterson that MVF-1's friend had recently committed suicide. MVF-1 acknowledged HICKS had attempted to solicit nude images of her during their online conversations but denied sending any. Inv. Peterson presented MVF-1 with an image of HICKS from his Facebook account. MVF-1 identified the person in the image as "Daniel." Inv. Peterson asked MVF-1 if she had maintained any of the communication she had with HICKS. MVF-1 explained to Investigator Peterson that the conversations between herself and HICKS were on Facebook Messenger and when his account was shut down the conversations were deleted. However, she had screenshots on her cellphone of messages HICKS had sent to her friend via Facebook Messenger after she had broken off communication with him. MVF-1 retrieved her Motorola Z4 and presented the screenshot images to Inv. Peterson for review. The phone was released to Inv. Peterson for a consensual forensic search (no further evidence was recovered during the forensic examination

and the cellphone was returned to the family). The family declined to have MVF-1 forensically interviewed.

19. On January 11, 2023, due to Inv. Peterson having a previous encounter with MVF-1 and her parents, Your Affiant requested her assistance. Your Affiant and Inv. Peterson spoke with MVF-1's parents and told them there was new evidence related to the investigation of HICKS. Your Affiant explained to MVF-1's parents that a forensic interview would be helpful to not only the investigation but to MVF-1. MVF-1's parents agreed and consented to bring her to the Bridgehaven Children's Advocacy Center the following week. During that interview, MVF-1 provided the following information:

- MVF-1 described being contacted randomly by HICKS via Facebook Messenger when she was 13 years old. She accepted his message request believing he might be a family member.
- According to MVF-1, HICKS sent her a lot of messages and the relationship between the two escalated quickly.
- MVF-1 recalled HICKS sent her unsolicited nude images of himself and often requested she send him nude images.
- MVF-1 believed she was forced to send HICKS nude images after he threatened to kill or hurt himself, because she did not want to be responsible for HICKS taking his own life.
- The nude pictures began before HICKS told her he wanted to marry her.
- MVF-1 was shown the nine images by FIS Krietz and identified herself, her deceased friend, HICKS, and images that she sent to HICKS that meet the federal definition of child pornography to include  
VEeTYetVc6Chk2pT187821347\_516451919556758\_469110682758585552  
0\_o.jpg. MVF-1 advised HICKS attempted to contact her via Snapchat and Instagram after she blocked him on Facebook, she noted he had started following some friends of hers on Instagram and had begun sending messages to one of her friend's trying to reconnect.
- She kept the screenshots from the messages HICKS sent to her friend trying to reconnect with her.
- She contacted HICKS one time after seeing the messages to her friend and told him to leave them all alone.

20. On March 17, 2023, Your Affiant spoke with Det. Raymond and learned the following information:

- a) On January 5, 2015, Det. Raymond, along with Vermont Trooper Barnes interviewed HICKS about a child pornography case. During the interview, HICKS confessed to emailing himself files of child pornography. HICKS admitted he utilized different social media applications to gain access to and possess sexually explicit images and videos of minor females. HICKS confessed to using social media applications to solicit those same said sexually explicit images and videos from minor females 12 years of age and older.
- b) On February 1, 2023, Vermont Trooper Biaz Mihaljevic issued a traffic warning to HICKS for a violation of 23 VSA 1038 – Driving on Roadways Laned for Traffic. At the time of the citation, HICKS indicated his residence was located at 2193 Route 109, Waterville, Vermont (the TARGET PREMISES).
- c) A search of the records of the Vermont Department of Motor Vehicles listed the address for Daniel HICKS as 2193 Route 109, Waterville, Vermont (TARGET PREMISES).

21. Additional records checks revealed HICKS was convicted on March 29, 2017, for Possession of Child Pornography and sentenced to 4 years of deferred adjudication, probation with special sex offender related conditions.

22. On March 21, 2023, your Affiant obtained a federal search warrant in the United States District Court, District of Vermont, for 2193 Route 109, Waterville, Vermont.

23. On March 22, 2023, your Affiant, along with HSI Houston SA William Russell Hurst, agents from HSI Derby Line and HSI Burlington, and other members of the Vermont ICAC executed the federal search warrant at the aforementioned address.

24. While the other law enforcement members executed the initial entry of the residence and other outbuildings, your Affiant and SA Hurst remained inside with HICKS downstairs near the front door. HICKS was visibly upset and made several spontaneous statements about law enforcement being there for him again, his family being upset with him again, and that he knew he was in trouble.

25. HICKS was asked if he would be willing to talk with SA Hurst and your Affiant outside in the truck (a black rented 2023 Chevrolet Silverado) and he agreed. Your Affiant advised HICKS that he could sit in the front passenger seat if he would like, and he responded that he would feel more comfortable there unlike the first time.

26. Once in the vehicle, introductions were made. Your Affiant requested HICKS verify her recollection of information HICKS had spontaneously uttered inside the residence. HICKS confirmed he had determined that law enforcement was there because of him and what had happened to him previously. When asked to clarify what he meant by those statements, HICKS explained he was previously arrested for possession of child pornography, had been given a deferred sentence, was placed on probation for 4 years, he believed he was released from probation either the beginning of 2022 or sometime in 2021, and the records had been expunged.

27. HICKS was advised he was not under arrest, and he was free to leave at any time. Your Affiant read the *Miranda Warning* to HICKS as he read along. HICKS stated he understood his *Miranda* rights and attested he was willing to answer questions.

28. HICKS quipped it was not his house; it was his grandparent's house, and continued by stating he had all the stuff in his room, his model car, and his daily driver. He stated he paid no bills.

29. HICKS confessed to utilizing Facebook, Instagram, and Snapchat to chat with minor females and affirmed that he solicited sexually explicit images from them that he would save to his Android cellphone.

30. Your Affiant told HICKS that she lived near Houston and mentioned the town of Crosby. HICKS declared he had heard of Crosby and that he previously had a friend from there. HICKS provided the first name of MVF-1.

31. HICKS stated the two had met via social media after he randomly sent her message through Facebook telling her he thought her profile looked cool. According to HICKS, they stopped talking because MVF-1 had started calling him a pedophile and questioning why he wanted to talk to her.

32. HICKS claimed they were not that far apart in age and guessed MVF-1 was 16 or 17 at the time and he believed he was either 20 or 21.

33. According to HICKS, he and MVF-1 were not friends online for very long because he did not want to put up with her drama. HICKS described the drama as MVF-1 being depressed, having poor health due to not eating, getting hospitalized due to not eating, and having attempted to overdose on her depression medication.

34. HICKS admitted he lost his first Facebook account when he was arrested the first time. He acknowledged that just days after getting off probation he created another Facebook account and almost immediately began soliciting nude images from minor females he friended through the application.

35. HICKS agreed he had known MVF-1 was 14-years of age and that he had solicited nude images of her via the Facebook Messenger application.
